

Hawksbill

Beach Resort - Antigua - West Indies

FACT SHEET

LOCATION

The Hawksbill Beach Resort is located on the Caribbean island of Antigua. It is blessed with an unusually beautiful shoreline location. Facing out toward the picturesque rocky islet that gives the resort its name is a delicately scalloped line of no less than four soft white sand beaches, one of which is clothing optional.

DESCRIPTION

Clustered around the beaches and extending back into the resort's thirty-seven acres of landscaped tropical gardens and grounds are a wide variety of inviting accommodations, from quiet beachfront cottages and club rooms to balconied suites looking out over the palms to the sea. Guests can stroll amid fences and archways laced in bright orange or deep purple Bougainvillea. Flaming red flamboyant trees counterpoint the lush trees of the palms. Hawksbill's Great House, which straddles the intervening spit of sand, offers airy suites and broad patios from which to take in a full view of the surrounding waters and the magnificent and unparalleled sunsets

ACCOMMODATION

Hawksbill offers a choice of five different guest accommodations, all decorated in the cool colors and clean lines of West Indian style. The **Superior Rooms**, located in the hotel's main building and set back from the beach amongst the resort's landscaped grounds, are elegant modern rooms with private patios or balconies overlooking the sea. **Superior Cottages**, also set among the palms, provide additional privacy.

Beachfront accommodations include both the **Beach Cottages**, which edge the resort's largest beach, and **Club Rooms**, deluxe accommodations lying along the smaller crescent of sand at the resort's northern edge. With the addition of these 14 new club rooms Hawksbill Beach Resort gives travellers many more reasons to visit this lovely resort, set along one of the most beautiful stretches of shoreline in the Caribbean. All 111 units at the 37-acre property on the west coast of Antigua are just a few paces from the beach. The new rooms, like all the lovely accommodations at the resort, are cooled by the ever-present sea breeze, with a little help from ceiling fans. Each room has two double beds, a refrigerator and tea/coffee-making appliances

DINING

All of Hawksbill's varied accommodations are conveniently located to the main building as well as to the resort's tempting restaurant and its two bars. The Beach Bar and Grill, only steps from the water, is open from 10 a.m. to 6 p.m. daily. From 5 to 6 p.m., every day except Monday, the Beach Bar holds a relaxed happy hour. Nearby is Hawksbill's gourmet, open-air restaurant, featuring the tempting Continental cuisine of its European chef along with live musical entertainment nightly.
